3) In the case of Babira Bi, The then Hy: Dewan (Mr. Banerji) was of opinion "that the pensions separately granted in 1909 have to be continued — unless they lapse by failure of successors. The separate branches which were beneficiaries under that order cannot be deprived of their share and in this case there being a legal heir it should not revert to Nawab Sher Khan on the death of last holder".

Call for records with a report

Order No. 3012

SAA 2-19-5

Respected Sir,

I, the undersigned Khanzadi Bi, daughter of Nawab Hassan Ali Khan, Jaman, residing at Honnali, most respectfully beg leave to approach Your Nobleself with the following my humble prayer seeking for redress.

I beg to submit that my deceased father was enjoying a pension of Rs. 58/- out of which a sum of Rs. 8/- was being paid to his sister Basarabibi and Rs. 15/- to Pacha Bibi - his mother. After the death of my father, one Sherali Khan son of Abdul Nabi Khan (by a Nika Marriage) has been trying to get the pension of my father misrepresenting the facts to the authorities concerned. The sum of Rs. 8/- which was being paid to Basarabibi is now paid to her sons after her death. The share of Pacha Bibi is going to the hands of Shertali Khan.

I may be permitted to submit here in brief, that the said Sherali Khan, is not entitled to any kind of pension or a portion thereof, which would have been established if the deceased Faizu Bi Bi was spared to continue the correspondence which she was carrying on.

I now learn that the Deputy Commissioner, Shimoga District, who sent for the parties and heard them has made a recommendation to the Government in the following terms:-

1. That the deceased Hassan Ali Khan has no right to make a will, and the amount is a Government one;

2. That it is ordered by the Government that the pension of Hassan Ali Khan is to be confiscated to Government after his death and as such no others will have any right over it.

3. That she has been given in marriage to an out-side family and she has also her husband living and as such she has no right to the pension;

4 At any rate the Government may be pleased to give her Rs.15/- and the remaining Rs.20/- to Sher Ali.

I now respectfully beg leave to submit that, the said mmendation made by the learned Deputy Commissioner is rely based on mere surmises and quite inconsistent with facts of the case.

(1) The Right of Mr. Hassan Ali Khan to make a will is unquestionable, which is clear by the fact that the deceased Abdul Nabi Khan father of the said Sheri Ali Khan, left a will dated 1-12-06 registered in 2nd Vol.161 to 165 Pp. 3rd Book in the Office of the Sub Registrar of Honnali in which also the distribution of pensions are made and being acted upon up to date.

(2) It is not in the case of my father that an order to confiscate the pension is passed but it is in Connection with Sheri Ali Khan, while the pension of Rs.112-8-0 was sanctioned in his name by the British Government, and no such order has been passed as yet in case of any body by this Hon'ble Gowernment.

(3) It is highly strange tc note that I am given in marriage tc an out-side family, and I have my husband living and as such I have no right to it. I am not the only daughter in the family that is given in marriage

to outside families. Many ladies who have enjoyed the pensions and are enjoying are also married in the same way, which is neither illegal nor against our Religion. Further how my legitimate claim to the right of my father do not exist while my husband is alive, cannot be explained by me and as such I leave it to your honour's merciful and paternal consideration.

4 While matter are such, how a small sum goes to my name is also a point for generous consideration.

I respectfully beg leave to add that no records were perused by the Deputy Commissioner, no fair chance was given to explain matters with papers in support thereof, but on the other hand, entirely relying on the selfish and fraudulent suggestions made by the said Sher Ali Khan, I have been ruined by the learned Deputy Commissioner.

I am terribly afraid that I am occupying your honor's time too much, but the case is one which requires Your Honor's merciful consideration, and so I leave the whole matter into your generous hands. I have 2 young children (male & female) and we were all being protected by the said pension hitherto but the death of my father coupled with that of the loss of pension have driven us to the gates of starvation.

I beg to crave your honour to kindly grant me the pension of Rs.35/- to me alone, who have every right to claim, not only in the interests of justice but also with a view to protect the orphan girl of a noble family, for the protection of whom with their life and honour such pensiones are being granted by the benign Governments.

To enter into the full details of fraud practised upon the family by the said Sher Ali Khan, it is not at all possible in a petition of the kind, and as such I pray that I may be graciously granted an interview so that I may produce all the papers with me for your honour's kind perusal with explanations of my humbleself.

At all costs, I respectfully pray for bread, justice and honour at Your Noble Hands.

I beg to remain,

Respected Sir,

Your most obedient servant,

Bangalore.

Most Respected Sir,

I, the undersigned Khanzadi Bi, daughter of the Nawab Hussain Ali Khan Jaman, residing at Honnali, most respectfully crave permission to lay the following facts before your honor for merciful consideration.

I beg leave to submit that a very grave injustice has been done to me regarding the pension I am entitled to. I am further driven to the gates of starvation. As I find no relief unless I fall upon your feet and explain my difficulties to Your Nobleself, I most respectfully pray that I may kindly be permitted to come and pay my respects to your honor at home at any convenient hour which suits best to your honor.

I being a Ghosha Lady, I crave this permission, and also hope that you will extend your paternal helping hand to me and save me and my forlorn children.
